Welcome to the 58th Annual Dixie National Livestock Show and Rodeo! Each year, cowboys, cowgirls, 4-H and FFA members, rodeo queens and spectators travel to the Mississippi State Fairgrounds to experience this "Genuine Mississippi" event. For six weeks, the Fairgrounds is host to multiple equine and livestock shows, the Dixie National Rodeo, the Sale of Junior Champions, the Rodeo Days Expo, the Mississippi Ag and Outdoor Expo, the Dixie National Steakhouse, the Dixie National Parade and more.

We are excited, once again, to have Southern AgCredit as the title sponsor for the Dixie National Livestock Show and Rodeo. The Dixie National Rodeo takes place Friday, February 10, through Sunday, February 12, and Wednesday, February 15, through Saturday, February 18, in the Mississippi Coliseum. You will not want to miss the excitement of the largest rodeo east of the Mississippi River and the concerts following each performance.

While here for the Rodeo, check out these and other events taking place in the Mississippi Trade Mart. Rodeo fans can shop and learn about all things agriculture and rodeo during Dixie National Rodeo Days February 10-12. There will be rodeo activities for kids of all ages, educational exhibits, retail vendors and opportunities to experience the Dixie National Rodeo up close. The Mississippi State Fairgrounds is partnering with the Foundation for Mississippi Wildlife, Fisheries and Parks to hold the Spring Edition of the Mississippi Ag and Outdoor Expo February 17-19.

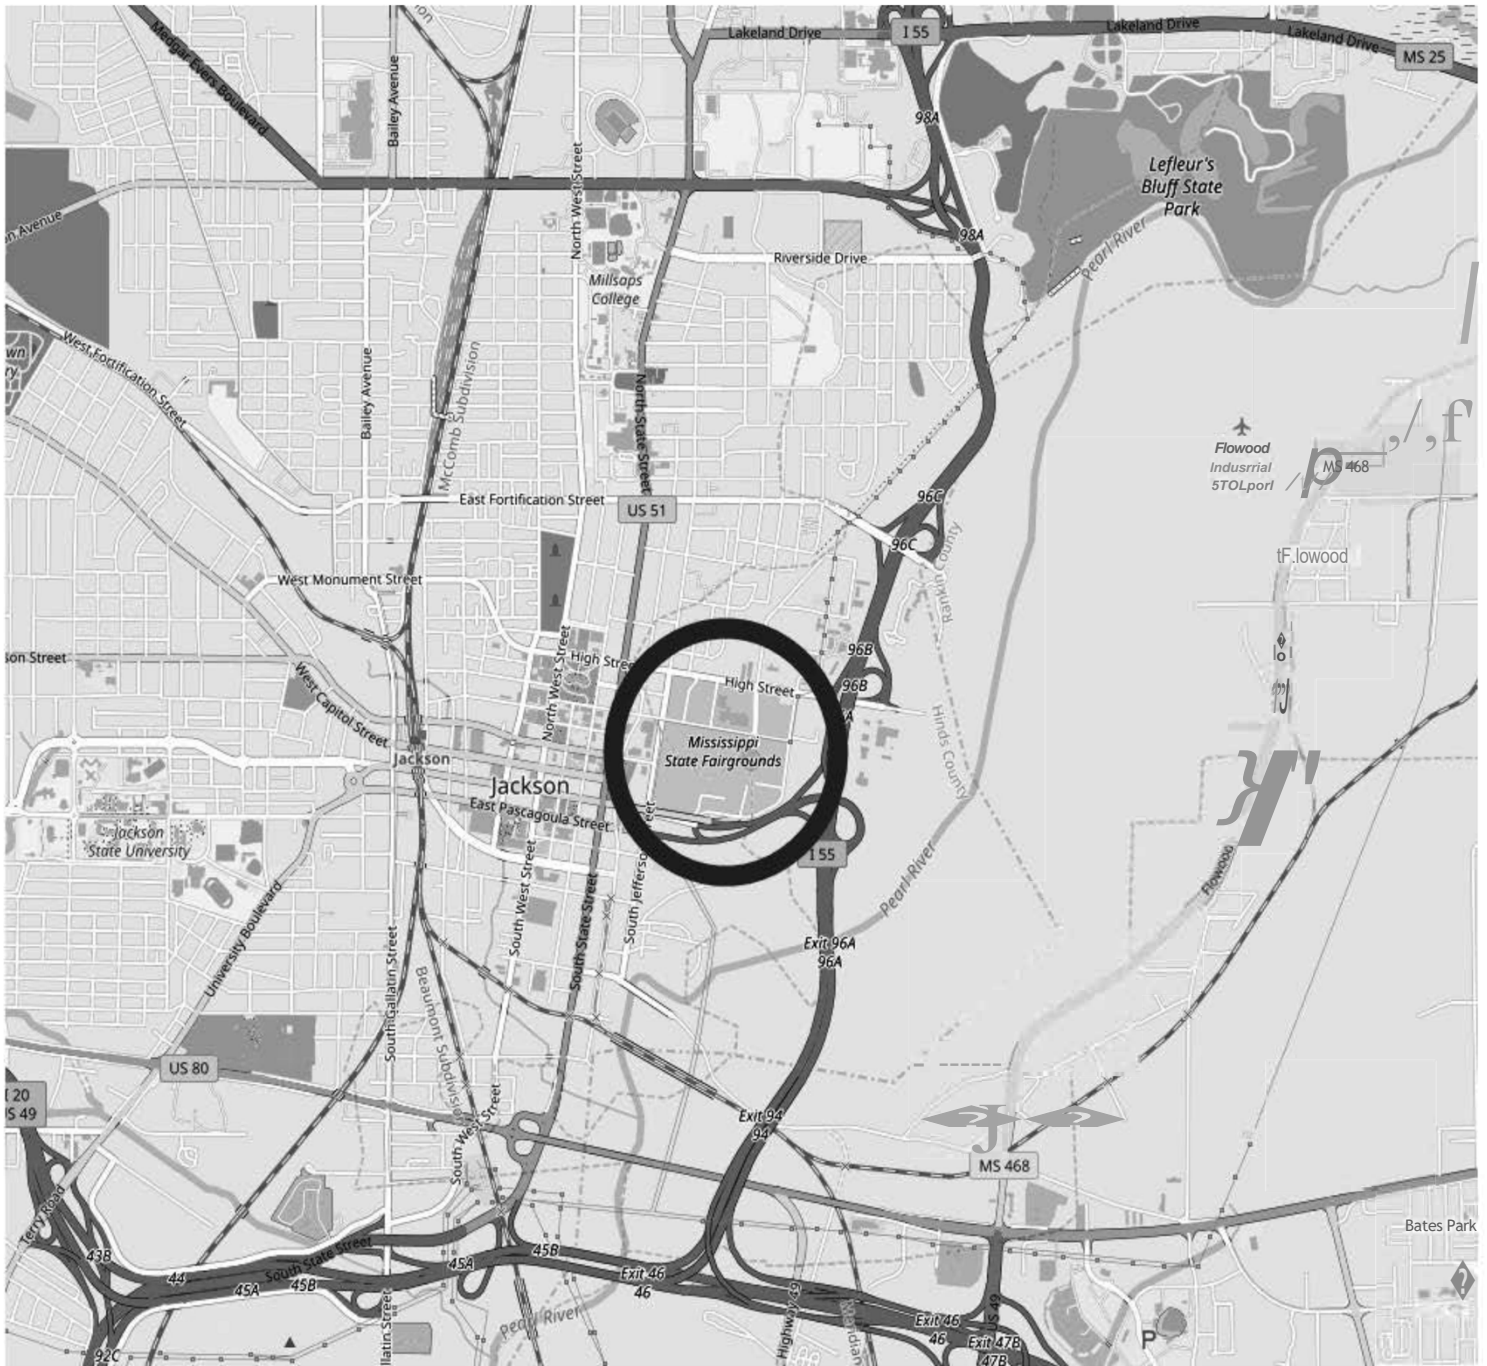

On February 11, the Dixie National Parade will make its way through downtown Jackson. This year's theme is 'Trailing through the Decades.' This fan favorite will feature an array of rodeo queens, marching groups, floats, car and tractor clubs, riding groups, dignitaries, the famous Dixie National Wagon Train and much more.

The pinnacle of the junior livestock show circuit in Mississippi is the annual Dixie National Sale of Junior Champions. Last year 1,538 Mississippi 4-H and FFA youth exhibited 2,262 head of livestock during the Dixie National Junior Livestock Round-up. Forty-six of the animals were sold during the Sale of Junior Champions grossing a total of \$448,500. This set a new record sale total over the 53-year history of the Sale. Additionally, the Sale of Champions Promotion Committee awarded 39 scholarships totaling \$61,500, bringing the total scholarship money awarded since 1993 to nearly \$1.1 million.

We are truly grateful to our loyal sponsors who give us the support to provide first-rate entertainment and professional rodeo talent every year. It is inspiring to see how this event has grown over the years into the finest and largest rodeo east of the Mississippi River, and we are proud to continue that tradition this year. Again, welcome and enjoy being a part of the "Greatest Show on Dirt!"

1. The judge will award premiums only on articles regularly mentioned in the schedule of premiums. The decision of the judge shall be final, and no appeal will be considered. 3. All premiums awarded under the rules and regulations of this premium list will be paid according to the rules.
4. The Management reserves the right to return entries and cancel any class in which, in its judgment, the number of entries is insufficient to insure adequate competition. Where there are fewer entries in a class than the number of premiums offered, the judge may, at his discretion, award prizes of such grade as the animal/animals deserve(s), but in any event, regardless of the number of entries listed in the catalog, where

the animals of only one exhibitor or his immediate family are shown, the judge will award only one prize, which may be of the grade to which the judge feels that the exhibit is entitled, and need not necessarily be a first or second prize.

5. Errors in premiums statement will not be corrected after May 31, 2023.

7. Only two premiums will be paid to any one exhibitor in one class.

OPEN CLASS PARTICIPATION STATEMENT AMERICAN ANGUS ASSOCIATION

The American Angus Association, 3201 Frederick Avenue, St. Joseph, Missouri, will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.

Premiums from the association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on championship or any group classes (i.e. get-of-sire, junior get-of-sire, or breeder six-head).

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look-up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks, or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Any female shown with calf at side: The calf must be the cow's most recent natural calf and the calf must be registered by show day and have proof of registration at check in.

Only one person at a time shall lead animals into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2; Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at www.angus.org.

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powder, hemp or other similar substances externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.

All animals exhibited are subject to DNA marker or blood type tests to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

2. Animals must be registered Brangus, Red Brangus, UltraBlack, or UltraRed with the International Brangus Breeders Association (IBBA) to be eligible to compete in an IBBA-sponsored show. Animals recorded in the IBBA Appendix registry are ineligible to show.
3. UltraBlacks and UltraReds must show separately from Brangus and Red Brangus, with the exception of calves shown at the side of their dams in both the Female and Cow Calf show. The registration prefix of the dam determines the classification of the pair.
4. All calves exhibited at the side of the female must be registered with the IBBA and meet all rules required for show eligibility and inspections of exhibits (refer to Rule 9.a.). The registration prefix of the dam determines the classification of the pair.
5. Animals eligible to be shown in group classes must be entered and shown in respective individual classes. Cows exhibited in the cow/calf classes are not eligible for the group classes.

7. Once an animal's identification has been verified by visual inspection of a brand or ear tattoo, its registration papers will be stamped with seal of the IBBA with the date of the inspection. In future shows, this registration certificate with the seal will need to be presented at check in for identification purposes only. If this registration certificate is presented with the seal of the IBBA, the additional inspection of a brand or ear tattoo is not required. If a new or unstamped certificate is presented, the animal's identification must be verified again before a stamped is received again.

Any animal is subject to recheck by the IBBA Ethics Committee at any show at any time.

10. IBBA reserves the right to collect DNA samples at any IBBA-sanctioned show. Collection will be conducted by random draw for retesting of parentage at the association's expense. At the six national IBBA-sanctioned shows, three random samples will be collected from Brangus and UltraBlack entries and three random samples will be collected from Red Brangus and UltraRed entries. An animal found to not match the stated pedigree must resolve the question before it is allowed to show again. I

Exhibitors must have the original registration certificate for each animal available for inspection at the show. There will be six breeding group class shows: Black Wagyu Fullblood, Red Wagyu Fullblood, Red/ Black Wagyu Fullblood, Black Wagyu Purebred, Red Wagyu Purebred and Wagyu Percentage. For the purposes of this show, Wagyu Percentage means animals that qualify for the Percentage category according to the AWA rules Section I, Rule 1, Item 3 Percentage Wagyu " ... females must have at least 50% Wagyu blood and males at least 87.5% Wagyu blood." Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.
5. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair). The use of paint, glue, graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.
6. Winning animals in all divisions may be subject to DNA Parentage Verification (sire and dam only). If the Parentage cannot be verified by the lab, the exhibitor will not be awarded the prize money and the animal will forfeit its winning position.
7. All cattle must meet the health requirements set out by the Show Management. Any deviation will be just cause for immediate disqualification from the show.
8. All bulls must show with nose lead. The right to disqualify from the show any animal deemed unmanageable is reserved by the show committee.
9. All females shown in the cow/calf classes must be shown with a calf at side.
10. Calf at side in the cow/calf classes must be her last natural born calf (not an embryo calf born to another recipient).
11. Any person found guilty of misrepresentation, or not abiding by the show rules, will be disqualified and denied the privilege of showing.
12. The registered owner/exhibitor must be a member in good standing with the Association.
13. Authorized representatives of the Association have the authority to enforce the rules set forth herein, including barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.
14. Judges will have no previews of competing cattle or meetings with show exhibitors prior to the show. This is to maintain impartiality for all competitors and judges. Violations of the rule will result in disqualification of Judge, competitors and animals.
